American City Magazine  
470 Fourth Avenue  
New York, New York

Dear Mr. Buttenheim:

I am mailing you under separate cover a copy of "Mother and Child" which my wife has been most happy to autograph for you. With your family, I am sure that you will want more than one copy, but believe all we can do is to let nature take its course.

I am enclosing the latest notes in regard to the White Line.

Looking forward to seeing you before long and accepting your nice invitation to lunch,

Sincerely,

John V. N. Dorr
