Mr. Arthur Cahill
c/o Bohemian Club
San Francisco, California

My dear Arthur:

If I may call you so, having had a drink with you under the sacred Owl of the Bohemian Club.

I am sending you under separate cover the book "Mother & Child" of which I spoke last night. If I can persuade my wife to come west in November, and you should desire it, she will gladly autograph it for you. I enclose also a short story about her and some comments of the book, not meaning to influence you, but because I think the writing is pleasant.

Now may I say it was a great joy to know you and also to see the splendid work you have done and are doing. I shall be much interested to see E. L.'s picture if you make a photograph of it.

Our few minutes at the Bohemian club helped to relieve the sadness of the occasion for my visit.

Sincerely,

John V. N. Dorr
