Dr. R. W. Cairns
194-1/2 Brecks Lane
Wilmington, Delaware

Dear Dr. Cairns:

I am taking great pleasure in sending you under separate cover a copy of "Mother and Child" but am enclosing herewith some comments on it that I know will interest you, together with a clipping regarding my wife which perhaps will make it better understood.

It was a great pleasure to see you the other day.

Sincerely,

John V. N. Dorr
