Mrs. Dean Clark
16 Highland Street
Cambridge, Massachusetts

Dear Mrs. Clark:

Your uncle asked me to write you about the books which we sent you some time ago. They were copies of "Mother and Child" by Mrs. Dorr. At that time you were going to try and place them in the hospital gift shop for possible sale.

Can you tell me the status of the matter and whether any have been sold?

Thanks very much.

Sincerely,

Eugene S. Troy
Asst. to Dr. Dorr
