Dear Uncle John and Aunt Nell,
J. V. N. D.

What a perfect graduation
present - a copy of Mother's
Child just for me! I have
always loved it - it is truly
beautiful and truly pure - a thing
hard to come in the 20th century.

I enjoyed seeing Uncle John
when he was here - I love to
listen to him. I hope I shall
get a chance to see you both again
soon.

With your usual delicacy of
feeling you picked out a wonderful
present - thank you. Love Jennie
