Miss Jenny Clark
16 Highland Street
Cambridge, Massachusetts

My dear Jenny:

I am sending you, under separate cover, from my wife as well as from myself a copy of MOTHER AND CHILD.

We thought of you on your graduation and I had planned to telephone you but life was somewhat confused this week as the people running our place, John and Mary, who have been there from the beginning, decided to leave on five days' notice.

My very best wishes to you and yours.

Affectionately,
