Dear Mr. Dorr:

Mr. and Mrs. Compton, at the present time, are in California where Mr. Compton is engaged in a writing task. They plan to return to Saint Louis briefly for Commencement here at Washington University--June eighth. However, the exact dates of their arrival and departure are not known as yet.

I know Mr. Compton will enjoy having the story about Mrs. Dorr and also the various comments on "Mother and Child", thank you very much.

Very truly yours,

Charlotte Clark

Secretary to
Arthur H. Compton
