Miss Charlotte Clark
Secretary to Arthur H. Compton
Washington University
St. Louis, Missouri

My dear Miss Clark:

I have your letter of February 15 to Mrs. Dorr regarding "Mother and Child."

I wonder whether you could let us know when the Comptons will be back, if it is determined. I remember hearing that he was on some important undertaking.

I think he would also be interested in the story about Mrs. Dorr which I am enclosing, which appeared in our local paper, County Fair. I am also enclosing some comments on the book from a variety of people.

The United States Information Agency has requested a number of the books for distribution. The book has been backed in its publication by The Dorr Foundation who is obviously interested in its circulation.

Sincerely,

John V. N. Dorr
