Dear Miss Everhard,

My best thanks for the letter you sent me on behalf of Mrs. Nell Dorr. Will you be good enough to pass on my appreciation to Mrs. Dorr for her willingness and promise to join the exhibitions to be held in the Netherlands?

It would be most agreeable if Mrs. Dorr had the opportunity of being our guest at the inauguration of one of the exhibitions. Although the exact dates are not known just now, I shall not fail to let you know them as soon as they have been fixed.

I just received a specimen of the promised book MOTHER AND CHILD, and I am very happy with it. Will you be good enough to pass on my best thanks to Mrs. Dorr for her kind attention?

When going through the book another series of photos have struck my attention particularly, as there are the small square photo opposite "From the author..." on page 5; the photo on page 24 "Young woman in profile with girl" (opposite photo of Bride) and the photo on page 84: "Old lady with handkerchief".

Properly speaking, all the photos as they have been arranged in the book are important, since they bear witness to a great love, so that I should very much like to discuss this book in FOTOGRAFIE, the journal of the Dutch photographers. I shall send you a copy of this Journal in due time.

With kindest regards,

Sincerely yours,

Martien Coppens
