Internationale Fototentoonstelling
Hoogstraat 312

Dear Miss Coppens:

I have your letter dated February 21st, addressed to Mrs. Well Dorr, and apologize for the delay in answering. Mrs. Dorr has been out of town for some time and asked me to let you know that she will be most happy to send you a selection of 10 prints of her book 'Mother and Child', including those which you have chosen.

Mrs. Dorr is delighted to have her photographs shown in museums in the Netherlands, as Holland is a country dear to her heart. There is even a slight possibility that she may be in Holland at the time of the opening. Nothing would please her more if a visit at that time could be arranged.

The Chairman of The Dorr Foundation, Dr. John V.N. Dorr, (Mrs. Dorr's husband) is also Honorary Chairman of Dorr-Oliver, Inc., an international organization with offices around the world, including Amsterdam (Holland), Herengracht 478, and it may be quite possible that a long pending European trip of Dr. and Mrs. Dorr coincides with the opening of your exhibit.

Just in case you do not possess a copy of Mrs. Dorr's book, the Dorr Foundation is pleased to send you one under separate cover. It may interest you to know that this book was sponsored by the Foundation and distributed around the world through the United States Information Agency and other organizations, as it was felt that its message might contribute to international friendship.

Mrs. Dorr will communicate with you shortly and you may rest assured that the prints will be in your possession in ample time before August 1st.

With kindest regards,

Sincerely,
For The Dorr Foundation

cie
