Dear Mr. Cousins:

Your Review Department will have received a book from Harpers, "Mother and Child", written by my wife, Nell Dorr, which has a publication date of September 22, 1954.

Gladys Burch, whose shop Burch Books in Darien you have probably seen, is planning a publication party there on September 29. I hope very much that you and Mrs. Cousins will be able to come.

Kindest regards.

Sincerely,

John V. N. Dorr
