Dear Mrs. Barrach:

I have your letter of September 17th. I am so glad you like the book.

Mrs. Dorr and I are arrive in San Francisco on October 15, 1954, at 4:20 p.m. and will stay at the Palace Hotel unless we should have an invitation to stay with our friends, Dr. and Mrs. Don McLaughlin of Piedmont, California, residence telephone, *askery 3-0699*. Dr. McLaughlin is President of the Home Stake Mining Company and they have a new daughter we have not seen yet.

We are now scheduled to leave on the 8:00 p.m. train for Los Angeles on Sunday, October 17, but if the McLaughlin's are busy Sunday and we had nothing else to hold us, we might go down on the day train. We should be very happy to see you at some time if convenient.

You may be interested in knowing that there is considerable interest in California regarding the white line. I have been quite happy working with Francis.

Kindest regards to Sidney and his wife as well as to yourself.

Sincerely,

John V. N. Dorr
