Dear Miss Dell:

Thank you for your letter of January 9.

We have had the pleasure of having Ken Leedom help us on the book matter and are glad you liked it. If you would like a few brochures on it, I enclose them.

Mrs. Dorr and I are just back from a couple of days with the Trapp Family Singers on their farm in Vermont and are going to Jamaica for a few days beginning next Sunday.

With kindest regards,

Sincerely,

John V. N. Dorr
