404 Riverside Drive
New York 25, New York

My dear Mrs. Draper:

"Mother and Child" is going forward to you today and I know you will appreciate it.

It was very pleasant meeting you at Mrs. Dorr's luncheon and I know we all enjoyed the wonderful speakers.

I am just back from the Trapp Family Singers farm at Stowe, Vermont, which was both a musical and religious experience of much interest.

Hoping to see you again,

Sincerely,

John V. N. Dorr
