Dear Mrs. Dorr —

4
Going through the current
exhibit at the Museum of
Modern Art, I was delighted
to come across your charm-
ing photograph. In fact
from some distance I
recognized your touch
and went closer to assure
myself that no one but
you could possibly have
done that lovely

High-Key picture.

I've spent a great deal of time
and would enjoy seeing
you again.

Sincerely yours,
Phoebe C. V. DuBerg
