Mrs. Louise Dushkin
1150 Park Avenue
New York, New York

Dear Mrs. Dushkin:

I am enclosing the brochure regarding Mrs. Dorr's book, that I think may interest you.

I have just talked with Maxwell Powers about the work of the Greenwich House and wish that I could be of more assistance there but at present seem to be loaded down with a number of individual problems that take all my time and a bit more.

I hope that we may have a chance to see you before long but we expect to be going away on February 6 for several weeks in the South.

With very kindest regards,

Sincerely,

John V. N. Dorr
