Dear Nell Dorr:

May I have permission to use your photograph that appears on page 24 of The Family of Man as an illustration in my new text for college students, Family Development, (J.B. Lippincott, 1957)?

If so, what credit form would you like used?

Is any other clearance necessary?

Do you have a glossy print available to share with us?

Is there a charge for this service?

Thank you for the kindness of an early reply.

Cordially,

Evelyn Millis Duvall, Ph.D.
