Dear Dr. Dorr,

I had hoped to have an opportunity at the DIR meeting of January 19 to thank you for the copy of "Dorrco Doings" which you kindly sent to me. In the activity of the meeting it did not seem possible to do so. However, I do want you to know that I appreciated receiving this group of Dorr Christmas cards from the far corners of the world. Some of them are indeed very fine pieces of art work, and all of them are interesting. It appears to me that this is a very unusual and a most appropriate way to send the Christmas Greetings from a worldwide organization.

The Christmas letter from Mrs. Dorr seemed to me to be a very fine expression of the feeling which I am sure is shared by all of those who are associated with you.

Yours sincerely,

CJStaud/LM
