Dr. L. Eckler
42 Front Street
Binghamton, New York

Dear Dr. Eckler:

We have a letter from you addressed to Mrs. Dorr and dated May 30, 1945, with the above address for you.

As you may know, Mrs. Dorr had published last September a new book called "Mother and Child." She is anxious that we send you a complimentary copy of it. The purpose of this letter is to ascertain whether this is still your correct address, and if not, to what address we should send the book. Please let us have that information at your convenience.

Thanks very much.

Sincerely,

Eugene S. Troy
Asst. to Dr. Dorr
