Dear Lady Nell Dorr: Pls. return

How wonderful and unbelievably kind of you to send me your book of photographs - Mother and Child. I can't say how much I appreciate your thought.

The little book is a joy — a joy forever, in its appeal to the best we have in us.

Warm greetings to Mr. Dorr - and my unbounded appreciation thanks to you.

With every good wish to you both.

Sincerely

Emily Fearlake

Just back from a delightful time in the New Hampshire Mts - Glorious color as you well know -
