c/o Mrs. Helen M. Foote
22 East 89th Street
New York, New York

Dear Mrs. Foote:

Confirming, I am afraid, my ability to talk about a variety of things as well as real estate which you experienced, I am enclosing a brochure of a book in which we are interested. It will perhaps tell you more of my wife than I could, which I regret to say has little to do with the cost of building a house.

When not at 30 East 37th Street, we are at Westport, Connecticut, telephone Capital 7-4264, West Branch, just beyond the two bridges on Route 57.

Sincerely,

John V. N. Dorr
