Gentlemen:

Please accept my sincere apologies for the delay in answering your kind letter of June 27th, due to a long spell of illness of my husband which resulted in an operation. However, I am glad to say that he seems well on the way to recovery.

Meanwhile I have also received your book "1 x 1 des Gluecklichen Lebens" by Dr. Georg Fischhof and W. A. Oerley, which I am extremely happy to have. It is certainly a most interesting work and I feel sure will be of much value to many readers.

Thank you very much for your courtesy.

Sincerely,
