16 East 96th Street
New York 28, New York

Dear Mr. Freedman:

Thanks very much for your letter of November 19 which arrived this morning.

Mr. Dorr is in Westport today but I just talked to him on the telephone. He asked that I send you some additional brochures on "Mother and Child." I am sending you with this letter twelve additional. If you need more, please let us know.

We very much appreciate your efforts in this regard.

Sincerely,

Eugene S. Troy
Asst. to Dr. Dorr
