16 EAST 96TH STREET

NEW YORK 28, N. Y.

November 19, 1954.

Just a word, my dear John, to say the brochures are bringing sales and if you send me a few more, I will make a further distribution.

The message of Nell is timely indeed for it stimulates in the youth of today that "reverence for life" and for creative motherhood which helps to assure the respect for the fundamental moral values essential to survival.

Friendliest greetings to Nell and you.

Faithfully,

Louis
Louis A. Freedman.
