Apartment 4-B
16 East 96th Street
New York 28, New York

Dear Louis:

Thank you very much for your letter of October 16, together with the old Christmas card. We are out of the building, as you may know, and at 30 East 37th Street.

I am enclosing a small brochure on Nell's latest work which has been taken over by The Dorr Foundation, believing it should have international circulation. If you can interest anyone in this book, it would please me.

With kindest regards and hoping we both will have time to see each other again,

Sincerely,

John V. N. Dorr
