Dear Sir,

Mrs & Mrs John Doan were in
my store the other day and Rudy
said that they would send me six
of Mrs. Doan's books "Mother & Child"
on consignment which they did. I
have sold three and will probably
sell more from time to time.

I have no idea what percentage
you allow me. Please let me know;
also I would like six more of
these books. Sincerely, Majorie Galeron
