Mr. Jean Galeron  
33 Church Lane  
Westport, Connecticut

Dear Mr. Galeron:

I am enclosing six copies of a reprint from the County Fair on "Mother and Child," six copies of memorandum of comments on the same book, and twelve copies of a brochure about it.

Mrs. Dorr confirms that the Dorr Foundation will deliver to you, when desired, on consignment in packages of six books, copies of "Mother and Child" to be sold and returns made to us at a discount of 40% off the market price.

As you know, Mrs. Dorr will be glad to autograph the books if you desire and if she knows or knows about the purchaser might from time to time write a special message in it if it would be appropriate and appreciated by them. I enclose a few samples of what she has written but you will appreciate it all comes from the heart and not for the purpose of increasing sales of the book.

Sincerely,

John V. N. Dorr
