Dear Mrs. Doan,

I am writing to you because Mrs. Lynch was in our little bookshop the other day and mentioned your beautiful book "Mother & Child." I had not heard of it before as we have only been in this business for a few weeks.

Mrs. Lynch was kind enough to bring us a copy the next day.

We, my husband and I, thought it was exquisite and altogether enchanting.

My husband, Jean Galaron, is going to N.Y. tomorrow to order more books and will certainly try and get five or six copies of "Mother & Child." We would be delighted if you would be kind enough

to autograph them for us.

I would also like to draw your attention to the fact that we carry books on Spain in Spanish and in English. We would be very pleased if you could manage to come in and see us soon.

Faithfully

Majorie Gaheron
