Mr. Peter A. Hoelen
Advertising Department
Gevaert Photo-Producten N. V.
Mortsel, Antwerp

Dear Mr. Hoelen:

I am honored that you could wish to use my
"Mother and Child" in your year book.

Since I am not familiar with the commercial
aspects of this procedure, I wonder if you could discuss
this matter with Mr. Craeybeckx and whatever you two
kind gentlemen decide will be most agreeable to me.

I hereby authorize you to go ahead on this basis
without waiting for my confirmation.

With every sincere good wish for the Gevaert
Photo-Producten N. V., believe me,

Sincerely,

ND:cie
