Dear Miss Gooderie -

I have just
returned after a few weeks'
trip to find your kind
gift of "Western and dried".
Ever so many thanks for so -

Remembering me and our
little dear! I shall look
forward to reading it as soon
as I've caught up on my
accumulation of mail -

Forgive my tardiness - There
isn't much news here does
it all the time -

Look forward to seeing
you at the next Foundations
Conference - Sincerely, Harold S. Edwards
