Dear Mr. & Mrs. Dorr -

Thank you for sending me
the notice of Mrs. Dorr's book which
I have already ordered & hope soon
to have the pleasure of reading
and, quite as much, enjoying the
beautiful pictures. What more
could be said than is said
by Arthur Rushman, Carl
Lueder and Sir Harold
Hartley? I am looking for-
ward with the greatest antici-
pation to owning it. Again my
thanks for introducing me to
so beautiful a book. Have

already. Even thinking of the young
mothers to whom I can give it.

I hope all goes well with
your large and soon growing
family. It is lovely to hear of
Nette's great happiness. I wish
that I could see you then.
If soon you are in this neighbor-
hood do come to see me -
letting me know so that I
shall not miss you.

Again my thanks and
warmest good wishes -

Sarah S. Goodwin

I hope your address is still as
I have given it.
