Mrs. Hiram Hall

30 East 37th Street
New York, New York

Dear Mrs. Hall:

I am sending this note to you with a copy of "Mother and Child" with some comments on it, and I would be glad to have you look over both.

From the fact that two entirely separate women told my wife that the book had been most valuable in changing their relationship with husband and children for the better, it occurred to me that you might find it possible to use it as a therapeutic agent in your work. I do not know whether the people that you consult would worry about $4.50, the regular sales price, but if it made out as a worthwhile project for The Dorr Foundation, something might be done there also.

When we are in town again, I would like you to come to apartment 3-B and meet my wife. The story of her in County Fair may also interest you.

Sincerely,

John V. N. Dorr

Enclosures--copy of "Mother and Child", comments, County Fair reprint and brochure.
