Mr. J. M. Hemstock
Asst. Concentrate Superintendent
Noranda Mines
Noranda, Quebec

Dear Mr. Hemstock:

Peggy Laidlaw telephoned me your letter which she is forwarding to me.

You asked where my wife's book "Mother and Child" which I showed you four years ago could be obtained. Sponsored by The Dorr Foundation, it was published by Harper & Brothers.

Many copies have been distributed by the Dorr Foundation throughout the world to further international understanding and friendship. In the USA however, the book is being sold in the usual way, by the Foundation and some book stores. I am therefore mailing you a copy with enclosed bill and I have asked my wife to autograph this copy.

When you get to New York again, I hope you will drop in and see me. I have never seen the N randa, but hope to some day.

I note that you were formerly with E. Long. We are very happy to have a closer association with them, because we have a very high opinion of Clarence and Mr. Saunders.

With kindest regards,

Sincerely,

John V. N. Dorr - Chairman
