Dear Mr. Highet:

The enclosed copy of a letter from our mutual friend, Arthur Rushmore, together with a brochure, will tell you of a book now in the mail which should reach you Monday. I hope very much you will feel that you can make use of it.

I am sure you will be interested in knowing that Mrs. Dorr gave it to a small organization called The Dorr Foundation which took the responsibility for its publication and which hopes greatly that eventually it may be used as a message from America to other parts of the world where a different view of us may be had through other means of communication.

I hope some time Mrs. Dorr and I may have the pleasure of meeting you.

Sincerely,

John V. N. Dorr
