Dear Nell Dorr,

It was a great joy to receive your wonderful letter. John Howard Griffin spoke to me of you many times, and on his last visit showed me one of your photogrpahic books, "Mother and Child", which impressed me deeply.

As you requested, we are enclosing some of our cheese and fruit cake literature. These products made by the monks themselves are the main means of our self-support.

We appreciate your kind words and we hope that the Lord will continue to bless you, your Family, and your work.

Sincerely yours in Christ,

*Bro. Patrick Hart*
