Dear Mrs. Door:

I am returning the book you sent me, MOTHER AND CHILD. As you suggested, the pictures do not have the casual candid camera angle that we need for our book.

However, I am looking forward to other pictures you might send and hope that we will find some that will fit into our text.

Your book was of great interest to all of us. Thank you so much for sending it. I am currently expecting a baby, so it was particularly appropriate that you should send the book to me!

Yours sincerely,

Dorothy W. Leonard
