Dear Dr. and Mrs. Dorr,

I am writing in behalf of Dad, to thank you for your exquisite book "Mother and Child". Dad especially appreciated your lovely words inscribed in front of the book.

He has come through his major operation very beautifully - even broke records for healing quickly!

though still extremely weak, he will come home to us for Thanksgiving.

I have spoken to Gift Shop people at Lenox Hill and at the Presbyterian Hospital of Newark N.J. the former said they thought the book rather expensive though beautiful. I have written a note plus "Hurk" to the buyer of the Pres. Hosp. Gift Shop. Mrs. Phillip Lounsbury 125 Prospect Ave., West Orange. I told her it would be grand for Xmas sales to expect her Grandmother's Grandmother's Aunt Hill to be signing the book this Xmas. By the way, Tognell and I saw "Use of the Camera" picture - which remarkable photographic minds we have. Kindest regards, Cordially yours, Alexander Jackson Davis
