Dear Dr. and Mrs. Jones:

I am very happy, indeed, to send you under separate cover Nell's new book, "Mother and Child," which my wife has given to The Dorr Foundation who have undertaken its publication. Many people who saw it abroad when we were across the water this summer felt that it should have a message from America to the rest of the world and that its circulation abroad would be well worthwhile. I would greatly appreciate any thoughts you would have on the subject.

I hope to have a chance to see you if we come down for the exhibit of Rose Alber's paintings on October 4.

Kindest regards,

Sincerely,

John V. N. Dorr
