Dear Dr. Dorr:

It was very thoughtful of you to remember our discussion at the Explorers' Club dinner and to forward Mrs. Dorr's book "Mother and Child."

Both Mrs. Jungmann and I have found it a most stimulating study. It would almost seem that this book was the inspiration for the Steichen exhibit.

Thanks too for your very kind invitation to drop in at Westport with the Van Lows and I hope sometime during the Summer this can be done as we would certainly like to have Mrs. Dorr's autograph. Before then, I shall certainly take the opportunity to have another visit with you on Park Avenue.

Yours sincerely,

Harold Jungmann.
