Mr. Charles A. Jurgensen
Vice President of Manufacturing
De Laval Steam Turbine Company
Trenton 2, New Jersey

Dear Mr. Jurgensen:

Your letter of the 15th of April came while I was away. Mrs. Dorr will autograph the book for you.

I should certainly like to see you in New York but it would be well to make an appointment as I am quite irregular in attendance there.

I note the white line near your house is a help. I haven't found anyone who objected to it yet.

Sincerely,

John V. N. Dorr
