Dear Mr. McCready:

If there could be a happier, more delightful way to start the day than opening a package and finding a book like Nell Dorr's "Mother And Child" -- I'm sure I do not know what it could be!

The book is not only superbly beautiful, it is also an awesome piece of work and I shall treasure it. I know it will bring pleasure to me - and to many others - countless times in the future. Thank you so much for giving it to me.

Your thoughtfulness is most appreciated.

Sincerely,

A handwritten signature in blue ink that reads "Lorraine Kure". The signature is written in a cursive style with a long, sweeping underline.
