Dr. John V. N. Dorr
99 Park Avenue
New York 16, New York

Dear Doctor Dorr:

Because Dr. Land is away from Polaroid at this time, and because he is here at infrequent intervals due to some special Government work he is doing now, I wish to acknowledge your letter to him of January 14, and also the receipt of the book MOTHER AND CHILD by your wife.

I have heard Dr. Land say how much he enjoyed Mrs. Dorr's IN A BLUE MOON, and I am quite sure he will be greatly pleased with MOTHER AND CHILD. I shall, of course, bring it to his attention at the very first opportunity.

Unfortunately, Dr. Land is not in New York today, and I am sure he will regret missing the private showing of Steichen's collection at the Museum of Modern Art. For the past several months he has had very little time of his own due to this special work.

Very truly yours,

POLAROID CORPORATION
