Dear Mr. Dorris,

I am truly honored to have a letter from you and I prize it very much. Mrs. Davis' beautiful book will be one of my most loved possessions and I shall find it and her words to me a great joy. I have loved the book for a very long time and am so happy to have my own very special copy.

I hope very much that I will some day meet Mrs. Davis and you again.

Thank you so very much for your kindness in writing to me.

Sincerely yours,

Nancy Langford
