Mr. James M. Langley, Editor
Monitor and New Hampshire Patriot
Concord, New Hampshire

Dear Mr. Langley:

I am sending you under separate cover, for your Book Department, a copy of "Mother and Child" which will be published by Harpers as of September 22.

Mrs. Dorr has her summer home on Beech Hill Road, Hopkinton. The book is dedicated to her daughter, the late Mrs. John H. Howe, also of Beech Hill Road. Many of the children in it are her grandchildren of Hopkinton. It also includes many pictures of Tasha Tudor and her family of young children, who are Mrs. Dorr's godchildren. This would seem to have special interest in Concord.

Mrs. Dorr has given her book to The Dorr Foundation and it is as Chairman of this foundation that I am writing to you. She will be happy to give you any information you desire.

Sincerely yours,

John V. N. Dorr
Chairman
