Dear Mrs. Dorr,

I was fortunate enough, due to my assistance in supplying the names of Pen-Pals to the Childrens Plea for Peace, to be presented with a copy of your book "Mother & Child". Although this is a book for Mothers, and I am a boy of 17, I have read it and was so interested that I thought I would write to you with the hope that you would answer my letter.

My interest may be due to the fact that I am very ~~interested~~ interested in Modern Art, and love beautiful pictures and photographs, this made me interested enough to spend most of my spare school hours in the Art Room, both modeling, after the "Henry Moore Style", and also drawing.

I hope you will see fit to
answer this note.

Yours faithfully,

Robin Massey Little
