Dear John,

Excuse scrawl but my
typewriter is at repair shop!

Thank you for nice letter.
We have never heard of the
publication "County Fair" and
we know nothing either

about the "Family of Man"

other than the fact the Museum of Modern
Art displayed four of Moll's pictures
(photographs) and that one was of Tasha.
We saw a page of them in an issue

of a recent New York Times,
but we didn't know there was a
book or pamphlet done on "Family
of Man". How does one order copies?
Yes, we'll gladly order all future
copies of "Mother and Child" from
you. Thank you for saying you'd send
us brochures and copies of reprint
from County Fair, whatever County Fair
may be - magazine or what? I'm sure
Curnier Gallery will be glad to have what
you sent. With further thanks and our
best wishes. Sincerely,
Tom McHardy
