

May 15th

Sweet Godmummy,

Hope you are well and that we'll see you soon! Where are you, etc.?

Enclosed is an order from one of our four friends, Portland, Oregon, for whom you autographed a copy of "Mother and Child" last

year. I have 11 copies in stock of your book but not one is autographed. Am writing to Mary Ann today - airmail - to tell her to send her friend's name so I can "get" Dell to autograph a copy especially for her. I'll hear in a week or so. When you are here please be sure to sign all our store copies. Please keep the enclosed letter for your scrap book. Send a letter when the friend loves mother and child so! much love.

Tom
