Dear Mr. McCready:

When I last wrote you, I had not read or looked over the wonderful book "Mother and Child" by Nell Dorr. I have now had the pleasure of looking at it and I think it is one of the greatest photographic portrayal I have ever seen. I cannot tell you how happy I am to have this book and will surely call it to the attention of other people.

Thanking you for making this possible, I am

Yours sincerely,

Fanny X Moore
