The Dorr Foundation (Letter Head)

February 21, 1961

Dear Margaretta Mitchele:

Your heart-warming letter about "Mother and Child" came just as Nell Dorr was leaving for the country. I read it to her over the phone and she was deeply touched by your words of appreciation.

It will be with great satisfaction that the Dorr Foundation sends you the ten copies you requested. Two have been mailed to you -- the others will follow shortly.

In line with the Dorr Foundation's policy, funds received from the sale of the book are used to promote its free distribution in other lands. Multiple orders like yours receive a 40% discount from the list price of $4.50 a copy making them $2.70 a copy. It all helps.

Copies have gone to libraries, schools and individuals in 77 foreign countries. Letters of appreciation flow back expressing not only joy in the book's beauty but in its underlying meaning -- the oneness of the family of man.

Again, all thanks for your letter.

Very sincerely,

CS
