Dear Mrs. Dow,

Thank you very much indeed for your lovely book "Mother and Child" — I know that Susanne will enjoy it and appreciate it as much as I do. I think that our children will also.

I do indeed hope that

it will not be long before Sir James returns with you to the United States and that you will then visit us at Washington. A home such as ours, full of peace and simplicity, is one of the most delightful things to be experienced anywhere in the world.

Sincerely yours,

Chas Wilson
